

It makes everything you do look better than before.

Proposal to
ZEPHYR ATHLETIC SHOES

Dear Mr. Zephyr:

I am writing to you today to propose a partnership between Web & Schaffer Accounting and Zephyr Athletic Shoes. I have been a fan of your company for some time and I believe that we can help you in a number of ways.

First, we can help you with your accounting needs. We have a team of experienced accountants who can help you with everything from bookkeeping to tax preparation. We can also help you with your financial statements and provide you with a comprehensive financial analysis.

Second, we can help you with your marketing needs. We can create a professional website for your company, design and print brochures and business cards, and help you with your social media strategy. We can also help you with your public relations and provide you with a comprehensive media plan.

Finally, we can help you with your legal needs. We have a team of experienced attorneys who can help you with everything from contract law to intellectual property law. We can also help you with your estate planning and provide you with a comprehensive legal analysis.

I believe that our partnership can be mutually beneficial and I hope that you will consider our proposal. Please let me know if you have any questions or if you would like to schedule a meeting to discuss this further.

Sincerely,
Web & Schaffer Accounting

Before

After

Point, shoot, plug it into your computer, and presto—you've discovered Apple digital photography. It's the fastest, easiest way to give everything from proposals to catalogs more impact. No film. No waiting. Just brilliant 24-bit color or sharp black-and-white photos that will make even a modest memo stand out.

The Apple® QuickTake® 100 comes with everything you need, from software to cable. And at \$749,* accountants love it, too. To locate the authorized Apple reseller nearest you, give us a call at 800-732-3131, ext. 550.
